

Party Mask

Category: Other

Type: Make & Take

Rough Parts List:

1	Stick
	Thin wood or cardboard
	Paint, crayons, or markers
	Decorations (feathers, pipe cleaners, glitter, etc.)

How To:

Cut the wood or cardboard into the shape of a mask and decorate it.

Glue the mask to the top of the stick to create a handle for the mask.

Fine Points:

- Can be any shape – animal face, larger, scary, etc.
- Be sure to cut the eye holes so that you can see out of them.
- A nine-volt battery and holiday lights will make it glow!
